

# Parramatta Police Officer of the Year Awards 2019

Recognising Professional Excellence and Outstanding Service

Parramatta has over 250,000 residents and is growing at the rate around 3% per year.

As the unofficial capital of Western Sydney, it is a thriving city with a fast-growing urban centre and is home to one of the largest transport hubs in New South Wales.

Parramatta is also a destination for thousands of visitors every day. People come here to work, study, shop, eat out, enjoy our beautiful parks and attend our many cultural and sporting events.

In this busy environment, the police officers and administrative staff of the Parramatta Police Area Command support and respond to a diverse range of community needs, sometimes in very challenging circumstances and often in ways that can't be readily acknowledged.

**The annual Parramatta Police Officer of the Year Awards provide an opportunity for professional excellence and outstanding service by members of the Parramatta Police Area Command to be recognised and celebrated.**

The awards also provide an opportunity to raise funds for community organisations. This year, we're fundraising for NSW Police Legacy and PCYC Parramatta. These organisations each play a vital role in the Parramatta community and beyond.
