

# Parramatta City Annual Golf Challenge

16th June 2009

Well we are getting closer to the big golf challenge fund raiser.

Things are starting to slowly come together, we have eleven hole sponsors one major and one group of four players.

Can you help with any of the following:

- A few more sponsors.
- We are also now looking for teams of four players, if you are interested in putting a team together please let us know ASAP.
- Also we are asking for numbers for the dinner and auction night, if you could also let us know ASAP. The more the merrier invite your relatives and friends for a great night out relax and enjoy.
- We are also asking any members if they could wheel and deal us prizes for raffles and auction items for the night.

The golf committee is desperately trying all there avenues for all of the above, we would be very grateful if you could help out with these requests.

Your earliest positive response to these requests would be appreciated.

**PLEASE CONTACT: Kevin Wylie on 0411 709 868**
